## April Sales Report

Brightwells Auctioneers report a large entry of varied equipment at the April collective auction at Madley. There was a particularly good selection of agricultural equipment on site, which was in high demand. The highlight of the agricultural equipment which was offered, was an exceptionally tidy 2005 John Deere 6820 with loader with 2355 hours on the clock, sold for £31600. There was also a good variety of plant on offer, in particular a number of JCB 3CX's of which the majority found new homes in excess of their reserves. The next auction at Madley is taking place on the 13<sup>th</sup> May. Please contact the office on 01981 250642 to discuss consigning any machines or if you require any valuations.
