

Plant, Machinery & HGV Auctions

May Sales Report

Brightwells report a good selection of plant and HGV's at the May auction at Madley. There was a good cross section of end users, dealers and exporters on site with a large percentage of machines being sold locally and internationally via online bidding. There was a particularly strong trade on compact plant, agricultural tractors and HGV's. The next auction is taking place on the 10th June, please contact James Thomas on 01981 250642 or mobile 07976 896943 to discuss valuations and consigning machines.
