July Sales Report

Brightwells report a good catalogue for the July auction, which is typically one of the quieter times of the year. The tractor trade was particularly strong with some low hour's direct Environment Agency tractors making good prices at one end of the spectrum, to a direct from a local farm a Massey Ferguson 135 in original condition making £4700. There has been increased interest from overseas customers looking for all types of equipment. If you would like to discuss consigning machines to the next auction on the 12th August, contact James Thomas on 01981 250642.
