Plant, Machinery & HGV Auctions

October Sale Summary

We saw some truly astounding prices this month under the digital hammer of our online auction! Equipment has become more scarce than ever and every month is a real challenge to fill the yard, the last few weeks more so than ever. This sale we saw the highest price of the day in the tractor row, prices here seemed stronger than ever and we shifted a brilliant number of machines. Plant values have skyrocketed recently here, there's never been a better time to have genuine used equipment to sell. There were also some strong fleet entries in the HGV row where we saw another exceptional clearance rate. And grounds care equipment continues to sell well, despite the change in season. Looking towards our next auction on November 13th, we expect a good entry, so don't delay in consigning. To discuss values, haulage & entries please contact James or Dave on 07976 896943 or 07969 410777.
