## November Sales Report

Brightwells are pleased to report a buoyant trade in all sections of our sale. We were pleasantly surprised to see heavy plant making a comeback as well as agricultural machinery & tractors. Export was again one of the largest factors in the high sales and a large quantity of young, genuine & direct machines. The full range of both of our sales was available for online bidding, and will be again in future sales.

If you would like to discuss values of any machines you have to dispose of contact James Thomas on 07976 896943.
