## December Sales Report

Brightwells are pleased to report another successful sale to finish the year with. The pound has strengthened slightly since the November sale and this gave a lot of UK buyers the ability to outbid the export trade. Tractors were selling well this month, also rollers, excavators, telehandlers & dumpers.

From all of us in the Plant & Machinery Department, we wish you a Merry Christmas & a Prosperous New Year and we hope to see you in January.

If you would like to discuss values of any machines you have to dispose of contact James Thomas on 07976 896943.
