January Sales Report

Brightwells are pleased to report a great start to the year. Our export trade was very strong again and with the threat of snow storms we had many buyers staying at home, opting to bid online. There were many machines this month exceeding values, which they have previously sold for. From what we have seen this month has yielded some of the best results we have seen in a while. We are very optimistic for next month's sale and the results to be had then.

If you would like to discuss values of any machines you have got to dispose of contact James Thomas on 07976 896943.

Plant
