Plant, Machinery & HGV Auctions

March Sales Report

Brightwells report another successful auction. Equipment in all sections was highly sought after. There was a particularly strong trade in the Contractors Plant section, along with equipment which had been consigned by Leasing Companies and Councils. There has already been a good selection of equipment entered for the next auction, which is taking place a week earlier than usual, on the 7th April.

If you would like to discuss values of any machines you have got to dispose of contact James Thomas on 07976 896943.
