Plant, Machinery & HGV Auctions

December Sale Summary

Our final Plant, Machinery & HGV sale of the year saw another roaring trade, another high clearance rate & hundreds more machines sold! The tractor row had another strong day, plenty of machines entered, with a broad spectrum represented, bids came in very well from all over! As always, our construction plant section romped away, with machines selling all over the world & prices were up on last month. Several comparable examples showed a drastic increase in value over the last 4 weeks. We were slightly down on entries in all sections due to the time of year and shorter run up to this sale, this did not deter buyers, we saw a well above average number register to bid online and again reached over 100 new buyers.

To discuss values, haulage & entries please contact James or Dave on 07976 896943 or 07969 410777.
