## Plant, Machinery & HGV Auctions

### April Sales Report

Brightwells report another successful auction. There was a large internet bidding presence from home and abroad in all sections of the auction. Compact plant was in particularly high demand with all qualities of equipment realizing strong prices. Agricultural tractor trade was stronger than we have seen over the last few months. We are already building a strong catalogue for the 12<sup>th</sup> May auction. If you would like to discuss values of any machines you have got to dispose of contact James Thomas on 07976 896943.
