Leominster Sale of Horses & Ponies

The Sale will be conducted at Easters Court, Leominster, HR6 0DE.

There will be a £3.00 per vehicle parking charge at this sale.

These Conditions are supplementary to the Auctioneers Standard Conditions printed herein and prevail as to definition.

THE SALE CONDITIONS

Have been revised in accordance with up-to-date Veterinary Practice and with a view to protecting the rights of our clients to even greater degree. You are advised to especially study our revised conditions of sale.

COMPLAINTS CAN ONLY BE MADE UP UNTIL 5pm ON THE FOURTH DAY (Tuesday) FOLLOWING THE SALE DAY.

Lots which are sold with a hammer price of £400 or less are sold “as they stand”; with all other questions of description and veterinary condition being entirely at the risk of the purchaser.

VETERINARY PROCEDURE

Veterinary Surgeons appointed by the Auctioneers are available through the Auctioneers Office to examine horses on behalf of Vendors and Purchasers. In the case of Purchasers, they are prepared to examine horses on their behalf as to whether they are correct under the “Conditions of Sale”. The Veterinary Surgeon’s decision that a horse be returnable is binding on both parties. All horses should be vetted for eyes, heart, action, age and ascertainment of catalogue descriptions for a fee of £65.00 inc VAT, unless when they are sold for £400 or less, when they are then sold “as seen” with no veterinary warranty or guarantee as to catalogue description implied or given. Please note all the heights stated in the catalogue are approximate.

Purchasers must notify the office that they require examination within 1 hour of the time of purchase and receive a vetting slip to enable examination to take place. It is emphasised that the facilities are not available to undertake a full veterinary examination but part veterinary examination should take place. Only Lots that are examined by the panel on the sale day have an extended period of 2 working days (including Saturdays) to enable complete veterinary examination.

For the purpose of Conditions only - The Purchaser is described as the person who makes payment for the Lot on Day of Sale and whose name and address is entered on the Receipted Account.

It should be noted that any Statement in the Catalogue is not enforceable if the transaction is not booked through the Auctioneers.

Please ensure that your lot has adequate food and water throughout the sale day. The Auctioneers reserve the right to random blood test, for prohibitive substances, any horse on the day of sale.

WARNING

CERTAIN PERSONS DELIBERATELY TRY TO BUY HORSES AND PONIES OUTSIDE THE SALE CONDITIONS. THE ONLY REASON THIS IS DONE IS TO OBTAIN LOTS CHEAPER THAN THROUGH THE AUCTION.

DOGS MUST BE KEPT ON A LEAD AT ALL TIMES.

HARD HATS MUST BE WORN BY RIDERS AT ALL TIMES.

NO PRAMS OR PUSHCHAIRS ARE ALLOWED IN THE PENNING AREA AT ANY TIME.
PASSPORTS NOTES
The Horse Passports (England) Regulations 2004 state that ‘after 28th February 2005 no person shall sell a horse without a passport’. The Property of Mr J Owen (Nolton Riding Stables)

7 NOLTON DELIGHT, CHESNUT MARE, 7 YEARS, 16HH APPROX.
A pretty mare who moves well and has a lovely temperament. She hacks out well on her own and in company but is still green in her school work. She should make a lovely riding club mare in the future.

8 STETSON, PIEBALD GELDING, 12 YEARS, 15.2HH APPROX.
A smart active heavyweight cob who has been working in a riding centre for the past 5 years. He is good to hack out on his own and in company and goes equally well, at the front or at the back.

9 BIZZY, PIEBALD GELDING, 8 YEARS, 15HH APPROX.
A smart gelding who hacks out well on his own and in company. He has worked very well as an escort in a riding centre for the past 3 years and should make a fun all-rounder.

10 CATCHAROSE, BAY MARE, 7 YEARS, 16HH APPROX.
Sire: Catcher In The Rye (IRE) by Danehill (USA)
Dam: Persian Flower by Persian Heights
Registered: Weatherbys
Good looking thoroughbred mare who has hunted for the last two seasons. Her previous raceform figures read: 60/3096/5650/5 which is a combination of NH, Flat Jumps and Point-to-Point. Good to shoe, travel, and in traffic. Lack of time forces her sale.

The Property of Ms R Lewis

11 HOPPI, BLACK GELDING, 15 YEARS, 15.3HH APPROX.
Hoppi has 4 white socks a blaze, and is a more slender build of cob. He is forward going and is not a novice ride. He has a beautiful mouth, but I ride him in a kimblewick with a flash noseband as he loves to please. I’ve never had to kick him on and he is bombproof in traffic. Good to box and shoe, but I don’t know about clipping as I never have! He is a fantastic jumper and has given me years of happiness. Hoppi is only for sale as I have been diagnosed with a life changing illness and this is a very sad day for me. Hoppi aims to please and is always the brave and bold one when we’re out riding. His bridle, and handmade English saddle, rugs (stable, waffle, New Zealand) and other tack will also be at the sale and will be available by separate negotiation through the auctioneers.

The Property of Mrs D Harries

12 SAMSON, PALOMINO GELDING, 5 YEARS, 15.1HH APPROX.
Sire: Cefngarn Sam
Dam: Spook
Registered: Welsh Pony & Cob Society (WPCS WPBR)
Samson is a stunning palomino that has won many shows, both ridden and in-hand, including at The Royal Welsh. Hunted frequently he has done beach rides and competed show jumping. Recently he has had a break from being ridden and will now require being brought back into work with some further schooling. He is not a novice ride, but is a competitive horse that takes his confidence from his rider. With his looks and ability he will do well in Working Hunter classes and now only needs the right rider to progress further.
The Property of Miss S Evans

KALLY, CHESTNUT MARE, 5 YEARS, 15.1HH APPROX.
Very easy going mare, with uphill paces who has competed dressage and been placed every time. She has been cross country schooled, and is not phased by anything, as well as schooled around a course of 70cm show jumps which she happily pops over. Kally has behaved perfectly in the hunting field and as been good around hounds. Hacks out alone or in company, has no vices and is good to box and shoe.

The Property of Mr M Grist

ELLIE, BLUE & WHITE FILLY, 3 YEARS, 15.1HH APPROX.
Ellie is a stunning looking, sport horse x traditional bred filly. Good to catch, load and in the stable. She has a good temperament, has been well handled and turns out with mares and geldings. Has a lovely action, and is now ready for someone to break to ride and drive, or to breed from. With her looks and presence she would also do well in the show ring. A genuine sale, due to being overstocked.

The Property of Mrs G Davies

MILKY WAY, GREY YEARLING FILLY, SHOULD MAKE 15.2HH PLUS APPROX
Sire: Charlie
Dam Irish Draught x.
A quality good natured yearling filly, standing at 14.2hh now, and should make 15.2hh plus. She has elegant flowing paces, and has endless potential for dressage, showing, riding club, with good enough looks for the show ring. Sadly for sale as overstocked.

The Property of Ms D Payne

LADY DIANNA, PIEBALD MARE, 18 YEARS, 15HH APPROX.
Has not been ridden for 18 months and would make an ideal companion.

The Property of Mr A Greenhalgh MFH

ROSIE, SKEWBALD MARE, 3 YEARS, 14.3HH APPROX.
Rosie is thought to mature to 15/15.1 hand high. She is a very mature and old fashioned Gypsy cob who has been well handled, mouthed and long reined. Comes to call and is good with the farrier and will make a super ride and drive prospect.

The Property of Ms K Lee

BORDERFIELDS MISS DELIGHT (Della), BAY MARE, 5 YEARS, 14.2HH APPROX.
Sire: Telynau Just-William by Strinesdale Mastermind
Dam: Bonny
Registered: Welsh Pony & Cob Society (WPBR)
Della is a beautiful part-bred Welsh mare with good blood lines. Purchased un-handled in March, she is now well-handled and driving very well in long reins, at walk, trot and canter on both reins. She has lovely paces and has had all her work done in the open field rather than a menage, where she has been happy to be handled and driven by my 9 year old son. Unbacked as yet, due to increasing work commitments, she is a lovely little horse that is always willing to try, and this is a very reluctant sale.

The Property of Miss J Holland

MAGIC, BLACK MARE, 12 YEARS, 14.2HH APPROX.
Nice type of riding horse that previously was believed to have been used as a ride and drive, though we have never tried her in harness.
The Property of Mrs J Tavernor

Sire: Newydd Bonheddwr by Newydd Lloyd
Dam: Broadley Liberty by Trevallion Jacko out of Broadley Ffion
Registered: Welsh Pony & Cob Society (WPCS)
Ruby has been professionally broken and then turned away through the winter, where she has lived outside. This summer she has been brought back into light work to further her education. Good to catch, box, with the farrier and vet etc, and up to date with vaccinations. Ruby is a true riding pony who is being sold through no fault of her own.

The Property of Miss G Spencer-Barlow

21 FAIRYHALL LUCKY, STRAWBERRY ROAN GELDING, 7 YEARS, 14.2HH APPROX.
Sire: Robe Thunder Dun by Thunderball
Dam: Timothy Hill by Ard Timothy out of Cruby Hill
Registered: British Connemara Pony Society (BCPS)
Stunning example of his breed, who was cut late and is therefore full of presence and character, but can be a bit riggy. He has done low level dressage and show jumping and is showing tonnes of potential and will jump anything put in front of him, and has done cross country with previous owner. He can pull faces in the stable, but is happy to be tied up outside, and is brilliant to load clip and shoe etc. Has been known to buck occasionally, but is generally a nice steady ride. Recently had his teeth done and passed a 2 stage vetting with no problems.

The Property of Mrs T Merriman

22 SENNY JUMBLE BEE, PIEBALD MARE, 3 YEARS, 14.2HH APPROX.
Sire: Garness Plan Bee
Dam: Trefiw Painted Lady
Registered: Welsh Pony & Cob Society (WPCS)
Welsh Section B, Irish and Hanoverian bloodlines, with both parents excelling showjumping and eventing. Lack of time and change in circumstances forces her sale.

The Property of Mrs E Gibbs

23 SCOOTER KID, BAY GELDING, 8 YEARS, 14.2HH APPROX.
A project pony looking for a confident and experienced rider. Hacks alone and in company, although can be spooky when ridden alone. Works well on the flat, however when jumping can get over excited and nappy, and although he is very capable he can be a challenge. Scooter is good to catch, shoe, box and handle. Also, good with traffic and in open spaces he does not get fizzy. Selling as a happy hacker with photos and videos available on the day.

The Property of Mrs L Jackson

24 LANGALLER AMANDA, PALOMINO MARE, 13 YEARS, 14.1HH APPROX.
Sire: Shipton Teasel by Chiltern Curlew
Dam: Esme by Absolom out of Abscure
Registered: National Pony Society (NPS)
Connemara X Thoroughbred. Purchased as a foal and very well schooled on the flat. Competed dressage to Novice, and placed at NPS championships and qualified Trailblazers in the past. Show jumped to 90cm and placed at BS Club regional Championships. Won ODE and has won and been placed showing, both in-hand and ridden. Also drag hunted and is very easy to catch, load (lorry or trailer), clip, trim and is 100% in heavy traffic. Fabulous temperament, has lived out all her life, hacks out alone or in company and never bucks, rears or naps. No vices and is fully vaccinated with her teeth and back done.
The Property of Mrs M Snow

LONGSDALE DILLON, BAY GELDING, 11 YEARS, 14.1HH APPROX.

Sire: Farriers Rambler
Registered: New Forest Cattle Breeding Society.
Dillon is a sort hard to find and is a pony you will feel lucky to own. He has attended PC rallies, competed SJ, XC and Dressage, works well in an outline and really enjoys his work. He regularly hacks out and is good in traffic. Dillon is the perfect teenagers pony for someone who loves to go out and have fun, but is equally good on the lead-rein and is regularly ridden by small children. Never sick or sorry and is good to handle and with the farrier. A very sad sale due to unforeseen circumstances, he can be seen prior to sale via The Auctioneers.

The Property of Miss Z Lee

BONNIE, BLACK MARE, 4 YEARS, 14.1HH APPROX.

The Property of Miss Z Lee

BRIDIE, BLACK MARE, 4 YEARS, 14HH APPROX.
Broken and ridden away, and has only seen light traffic to date. She is forward going and has been good when ridden on the road and in the field. Easy to catch and handle with a very sweet nature.

The Property of Mrs C Snow

CRAIGLAS DUKE, BAY GELDING, 12 YEARS, 14HH APPROX.
Sire: Newydd Lloyd by Nebo Brenin
Dam: Gwynfaes Esyllt by Derwen Desert Express
Registered: Welsh Pony & Cob Society (WPCS)
Good to catch, shoe, clip and load. Hacks out and is good on grass and with rural traffic at home. He has not done much jumping, but has showed promise and could be a useful hunting pony. Broken to drive and drives quietly, but needs further work and putting to in this regard.

The Property of Mr P Jones

VERA, BLACK MARE, 7 YEARS, 14HH APPROX.
Registered: British Driving Society
Vera is believed to be a Fell x Cob. A good driving mare who goes in a 2 or 4 wheeler. Has previously done the scrap job, a wedding, pulled an accommodation top to Appleby and is good in traffic. Forward going but safe and is snaffle mouthed. Very friendly and easy to do in all ways.

The Property of Miss A Margrett

ALAMO ELVIS (Ace), BAY GELDING, 11 YEARS, 14HH APPROX.
Ace is suitable as a second pony for a confident teenager, child or lightweight adult. Not a novice ride, but excels in all disciplines, and has done Pony Club activities including camp and has regularly been on fun rides. Competed and placed in hunter trials, unaffiliated show jumping, dressage and qualified for working hunter championships. He truly is one in a million and hunted previously with The South Hereford Hounds. Great to handle in all ways, and this is a very sad sale of a superstar who has now been hopelessly outgrown.

The Property of Mrs S Harris

A nice looking ride and drive mare who is excellent in traffic. Would make an ideal mother and daughter share. Only for sale as overstocked.
The Property of Mrs P Faulkner

32 GLORIA, BAY MARE, 6 YEARS, 13.2HH APPROX.
Gloria was bred and owned by a gentleman who had her professionally broken last year. Unfortunately he has never had the time or chance to ride her since, though was ridden over the winter by a friend, but has done nothing since, and is being sold from the field as green. Attractive, with no blemishes and has much to recommend to her. No sweetitch or laminitis and is wormed up to date. Loads in a trailer or lorry and is good to handle. She will make a super pony and now just needs more work and education.

The Property of Mr K Pritchard

Sire: Blewins Humdinger by Blewins Streaker

8. VETERINARY PROCEDURE
All lots are sold subject to veterinary examination unless sold for £400 or less, or otherwise stated. Veterinary surgeons are available to examine lots as to whether they are correct under the Conditions of Sale. The veterinary surgeon’s decision that a lot be returnable is binding on both parties. All lots should be vetted for eyes, heart, action, age and ascertainment of catalogue descriptions for a fee of £65.00 including VAT. Buyers must notify the office that they require examination within 1 hour of the time of purchase and receive a vetting slip to enable examination to take place. Sellers must check the veterinary board displayed in the Sales Office to see if their lot must be presented for veterinary examination. Sellers should not leave the Sale Site without first checking the vetting board. ALL LOTS NOT EXAMINED BY THE VETERINARY SURGEON ON THE SALE DAY WILL NOT BE COVERED BY A VETERINARY WARRANTY.
It is emphasised that the facilities are not available to undertake a full veterinary examination on the day of the Sale, but part veterinary examination should take place. This part examination should include examination for warts, sarcoids or sarcoid-like lesions, which can only be complained about on the day of sale. Only lots that are examined by the panel of Veterinary Surgeons appointed by the Auctioneers on the day of the Sale have an extended two working days (including Saturdays) to enable complete veterinary examination. For the full veterinary procedure please see the sales catalogue.

(1) The Seller agrees that a horse shall be sold subject to veterinary examination.
(2) If a horse is sold subject to veterinary examination, the Buyer should submit the horse for part veterinary examination on the day of the Sale within one hour of the fall of hammer.
(3) The sale catalogue shall set out the procedure to be followed by the Buyer on submitting the horse for part veterinary examination on the day of the Sale.
(4) The purpose of the veterinary examination is to check the accuracy of the physical description of the horse given in the catalogue. The examination will not cover the matters referred to in condition 7(3) above save that the veterinary examination will be conclusive in relation to the “potential” of the horse.
(5) At the end of the veterinary examination, the Veterinary Surgeon will provide the Buyer with a certificate stating that the horse does or does not comply with the physical description of the horse given in the catalogue.
(6) In the event that the Sale day or post Sale Veterinary Certificate states that the horse does not comply with the physical description given in the catalogue, the Buyer shall not be liable to pay the price for the horse and is entitled to the return of any deposit that may have been paid by the Buyer.
(7) In the event that a Buyer fails to avail himself of a veterinary examination on the day of a Sale, the Buyer cannot thereafter make complaint of matters, which would have been covered by a veterinary examination.

10. COMPLAINTS PROCEDURE
(1) The Buyer shall notify the Auctioneer if the Buyer claims to be entitled to return a horse to the Seller in accordance with condition 7 above or for any other reason orally by 5.00pm on the fourth day following the Sale.
(2) The Buyer shall follow up this oral notification to the Auctioneer with written notification to the Auctioneer to be received by the Auctioneer within seven days from the date of the Sale. The written notification by the Buyer to the Auctioneer shall set out the grounds upon which the Buyer claims to be entitled to return the horse to the Seller.
(3) Where appropriate, the Buyer shall submit, along with his written notification, a Veterinary Certificate confirming any matters in respect of which complaint is made. The failure to submit a Veterinary Certificate in circumstances where such a certificate is appropriate will mean that the Buyer’s complaint will not be further entertained and the Buyer shall pay the price for the horse in full.
(4) In the event that the Buyer fails to make oral or written notification of his complaint within the above timescales, the Buyer shall not be allowed to return the horse to the Seller but must make payment for the horse in full unless the buyer can demonstrate to the satisfaction of the Auctioneer that it was not reasonably practicable for the Buyer to discover the complaint and to notify the Auctioneer of the same within the above timescales. However, in no circumstances whatsoever may the above time limits be extended beyond a period of 14 days after the date of the Sale.
(5) On receipt of a written complaint together, where appropriate, with a Veterinary Certificate, the Auctioneer shall send a copy of the complaint and the Veterinary Certificate to the Seller and the Auctioneer shall appoint a suitable person to act as Arbitrator. The task of the Arbitrator will be to examine and determine the complaint. The name of the person appointed by the Auctioneer to act as Arbitrator shall be notified by the Auctioneer to the Seller and the Buyer. The Auctioneer shall thereafter have no further responsibility in respect of the Complaint Procedure.
(6) The Examination and resolution of the complaint shall be under the control of the Arbitrator and the Seller and Buyer shall comply with all directions that may be given by the Auctioneer in respect of the complaint.
(7) The Arbitrator may require, before proceeding to examine and determine the complaint that the Arbitrator's fees and expenses shall be paid in advance. The Seller and Buyer shall thereupon each pay one-half of the sum stipulated by the Arbitrator.
(8) The Arbitrator may direct that the horse shall be subject to such trial as he may direct and the Seller and Buyer shall lend their full cooperation to such a trial.
(9) If either the Seller or the buyer fail to comply with a direction of the Arbitrator or fail to pay any sum ordered to be paid by the Arbitrator, then the Arbitrator may at his own discretion decide not to proceed with the examination and determination of the complaint and may, if the Seller is in default, order that the horse be returned to the Seller or may, if the Buyer is in default, order that the Buyer pay the full price to the Seller.
(10) Upon the determination of the complaint, the Arbitrator may at his discretion order that the unsuccessful party pay to the other all the costs and expenses associated with the Complaints Procedure.

11. HARD HATS
Any person riding an animal at the Sale Premises must wear a hard riding hat of an approved standard.
