Plant, Machinery & HGV Auctions

July Sales Report

This month saw a record breaking sale. A large, late consignment of very new agricultural equipment saw buyers from all over attending the sale. Trade on tractors and agricultural implements was soaring, as well as our usual impeccable record on selling plant machinery. Vans & LCVs sold particularly well this month also. We anticipate another big entry sale next month so if you would like to discuss values of any equipment you have got to dispose of contact James Thomas on 07976 896943.
