### August Sales Summary

This month saw another particularly large sale. Again, genuine and direct tractors were flying away, well past reserves. Mini Excavators were also a very hot commodity at the sale as we had less consigned than last month. We had a large collection of 13 & 14 tonne excavators around 3-4 years old, these all sold exceptionally well. We anticipate another big entry sale next month so if you would like to discuss values of any equipment you have got to dispose of contact James Thomas on 07976 896943.
