Plant, Machinery & HGV Auctions

January Sales Summary

As in previous years our January sale has proved to be a sale of high prices but limited stocks. Although entries from several hire firms freshening up their fleets helped to swell numbers, especially in the plant section. We had a good clearance rate, especially in the HGV and Plant Sections and are now looking forward to refilling our yard for our sale on 9th February. If you would like to discuss values of any equipment you have got to dispose of please contact James Thomas on 07976 896943.
