Plant, Machinery & HGV Auctions

May Sales Summary

This month saw another busy sale with a good number of entries and a high clearance rate. Demand for <8T excavators was astonishing, we ended the day with over a 95% clearance rate on these. Agricultural machinery & implements also sold particularly well this month, tractors weren't short of bids either. Large plant this month seemed a little bit of a struggle as trade seemed a little subdued, however we still saw an 80%+ clearance rate. We are now taking entries for our June auction, if you would like to discuss values of any equipment or to organise haulage please call James Thomas on 07976 896943 or David Smith on 07969 410777.
