Plant, Machinery & HGV Auctions

February Sales Summary

Brightwells are pleased to announce a strong trade in our second plant & machinery sale of the year. Mid-range, older tractors & all sizes of excavator sold exceptionally well. Export to eastern Europe decreased a little this month, but elsewhere in Europe stepped in to fill the void & overall a good percentage of the yard is now set to go abroad. Our next auction is on the 8th March and entries are now being invited. There are already plenty of equipment consignments on the horizon including a Liebherr MK100, 50m 8T tower crane. To discuss values, haulage & entries please contact James Thomas on 07976 896943 or David Smith on 07969 410777.
