March Sale Summary

The third sale of the year saw an interesting mix of entries consigned. Good condition, low hour machines still command strong money despite an unsettled market. Small and mid-size excavators saw a strong trade as we come into the busy season for this industry. With Brexit looming foreign buyers were undeterred with a high percentage of the sale going to overseas buyers, keeping the export market buoyant. Our next sale is on the 12th of April with some interesting lots from the MOD and other national companies. Watch this space!
