Plant, Machinery & HGV Auctions

April Sale Summary

We saw another strong trade in our April auction. This month there was a strong bias towards grounds maintenance & agricultural equipment. With used plant & machinery being extremely scarce at the moment there were a few small gaps in this section but we more than made up for it with tractors & ride on mowers, these sections were over-subscribed & we achieved a huge clearance rate. HGV sales are still going well, we offered a record number this month and sold a good proportion, achieving this section's highest ever total.

To discuss values, haulage & entries please contact James on 07976 896943 or David on 07969 410777.
