Plant, Machinery & HGV Auctions

D H Jones Dispersal Sale Summary

We were delighted by the results of this truly unique and eclectic collection of classic & vintage plant & machinery. There were some record prices fetched and some collectors thrilled to get their hands on these fantastic examples. The auction was extremely well attended and this generated some fierce bidding wars between collectors & online bidders. With this sale now completed we look forward to our next monthly collective auction on the 9th August. Contact the office if you are interested in consigning your collection or individual machines - 01981 250642
