All stand holders please note that by direction of the Health & Safety Authorities the following rule will apply for the Sales at Builth Wells and Malvern:

BUILTH WELLS (Royal Welsh Showground, LD2 3SY) - Stands accepted for entry in the Glamorgan Hall must have diesel vehicles, which must be cold before 8.00am each morning. Each stand must have their own fire extinguisher(s) and there will be no smoking in the whole building. Priority will be given to long-standing clients.

MALVERN (Three Counties Showground, WR13 6NW) - No vehicle will be allowed in the sale building at any time - therefore the only stands allowed inside will be those that can set up independently from their transport. We regret that unloading will have to take place at the entrance ramp to the hall.
