Plant, Machinery & HGV Auctions

August Sale Summary

This month saw our smallest sale of the year so far. It is always the way, over the summer, that entries drop back, as all our customers are either working flat out with their machines or enjoying well deserved holidays! Having said that, trade was on fire for the machines which were here, and the clearance rate was one of the highest we have seen in a long time. Tractors & diggers were the most desirable lots of the day, along with a good selection of clean & tidy, genuine telehandlers. Export trade was a little quieter than expected considering the weak pound, however this would be due to our continental friends enjoying their summer break. Our first autumn sale is now approaching and as it is later in the month, we anticipate a very strong entry. Already we have dozens of lots arriving from some great homes ready to be put back to work very soon. To discuss values, haulage & entries please contact James on 07976 896943 or David on 07969 410777.
