Plant, Machinery & HGV Auctions

September Sale Summary

Yet another strong trade & high clearance rate seen in our 9th auction of the year! With the weather now becoming more autumnal and demand for equipment just easing off slightly, now is the time to take advantage of putting reserves on your entries while taking advantage of our huge network of buyers! Mini & midi excavators had another roaring trade with over 85% of those offered now sold. We also had a strong entry of >13T excavators which saw some huge demand, selling to countries all over the world. This month also saw bids coming in from almost every continent in the world in a race for bidders to get their hands on used plant.

With the end of the summer season now approaching we are anticipating some bumper auctions. Get in touch early to get your kit consigned. To discuss values, haulage & entries contact the office on 01981 250642.
