## Plant, Machinery & HGV Auctions

### February Sale Summary

We saw a strong trade in our second plant machinery & HGVs auction of 2021. Over 80% clearance rate and all sections selling extremely well. Demand for mini and midi excavators remains at an all time high. Buyer's are also competing fiercely over used telehandlers as new sales of these machines have been around 50% down over the last 12 months. This has lead to a stark scarcity in the market. Tractors & agricultural machinery were also in strong demand. Despite a slightly lower clearance in this section we saw some exciting prices.

Our next plant & machinery auction will be held on the 12<sup>th</sup> March & entries are already coming in fast! To discuss values, haulage & entries please contact James or Dave on 07976 896943 or 07969 410777.

| Plant                                        |           |                                                |           |
