Plant, Machinery & HGV Auctions

July Sale Summary

We saw another strong trade this month, as everyone is getting used to the new normal. Online only sales have given us a higher clearance rate than ever before and lead to some truly stunning results. This month, again, we saw over 80% of lots sold. A good collection of ex-council tractors sailed away well over reserve and helped fill out this section which we have been short in entries for. Quality, genuine used construction plant continues to fetch a high premium. We were also fortunate this month to have a few large fleet consignments in the HGV row. Encouraged by the provenance of these vehicles, would-be purchasers offered strong money and we were able to return some vendors over triple their original asking prices! To discuss values, haulage & entries please contact James or Dave on 07976 896943 or 07969 410777.
