The Auctioneers may make such announcements or publish such information supplied by a Vendor about any Lots using their discretion as they see fit.

The Vendor will indemnify the Auctioneers if any warranty is found to have been made by the Auctioneers as a result of such announcements or publications.

#### AUCTIONEERS AS AGENT FOR VENDOR

#### ENTRY OF LOTS FOR SALE

All Lots must be delivered to the Sale in Accordance with the terms of the Schedule set out on the Auctioneers entry form. No entries can be accepted on the day of the sale. All Lots brought to the Sale must be offered for sale by auction and must not be sold privately before the Sale. If a Lot remains unsold following the sale for which it has been entered and remains on the Saleground the Auctioneers reserve the right to sell such a Lot at the Reserve Price without further consultation with the Vendor.

#### RESERVES

The Vendor shall be entitled prior to the auction to place a reserve price on any Lot, being the minimum amount for which the Lot shall be sold. Such reserve shall be in writing and the document containing the reserve will be handed to the Auctioneers not later than one hour prior (or as advised in special conditions) to the commencement of the auction and in the event of the Vendor failing to do so the Lot will be sold without reserve. No responsibility can be accepted by Auctioneers for errors in respect of reserve prices.
