Plant, Machinery & HGV Auctions

April Sale Summary

Another successful sale, another smashing clearance rate, more extremely high prices! This month we saw some great large plant as well as some older tractors, venturing into the world of vintage & modern classic machines once more... We had some great vehicles on offer this month and saw a fantastic trade with buyers coming from all over the world. We are now well into the Spring, grounds care season and prices for ride on mowers certainly showed this! The export market is still flying and we send a little over £500,000 worth of equipment abroad this month!

Call us now to take advantage of this amazing trade and get the best market price for your used plant, machinery & trucks. Our next plant & machinery auction will be held on the 14th May & entries are already coming in fast! To discuss values, haulage & entries please contact James or Dave on 07976 896943 or 07969 410777.
