Plant, Machinery & HGV Auctions

August Sale Summary

This sale has continued our trend for month-on-month growth, we saw over 600 lots being offered and achieved another fantastic clearance rate of over 75%! Particularly notable was the increased entry in the tractor section & a huge number of clean & tidy mini & midi excavators!

Trade is still extremely buoyant, with demand for used machinery holding out. Over 35% of the value of this sale was sent overseas, with another huge proportion sold directly to end users. We saw buyers from over 20 countries register with us for this auction and sold machines to 8 different countries.

Our next auction catalogue has already started growing with some cracking machines now on site ready to be offered! To discuss values, haulage & entries contact James or Dave on 07976 896943 or 07969 410777.
