Plant, Machinery & HGV Auctions

June Sale Summary

Half way through our year of auctions and the trade has continued to grow. This month, once again, saw over 500 buyers register & purchasers came from countries all over the world! Our HGV section saw some incredible results with 5 lorries alone selling for over half a million £s! Also of note is the number of excavators which we offered and the conversion rate in this section, almost 100 machines went under the hammer with just over 90% clearance! Tractors were a little few & far between this month, with farmers hard at work. The machines which we did offer however attracted plenty of bids and we were pleased to see some high prices!

Our next auction catalogue has already started growing with some cracking machines now on site ready to be offered! To discuss values, haulage & entries contact James or Dave on 07976 896943 or 07969 410777.
