Plant, Machinery & HGV Auctions

November Sale Summary

We are pleased to report a sensational sale as we now head towards our final plant & machinery auction of the year. Trade was on fire and what had been a pretty full yard on the Friday morning, is now considerably more empty! Large plant sold extremely well this month, as did all contractors mobile machines. We had a fantastic selection of tractors & agricultural machines which drew some big buyers. Entries have been hard to find in the last few months, however, thanks to a strong marketing push we really packed the yard this month. That was reflected in that we had the most registered buyers we have ever seen as well as some truly incredible prices fetched.

Our next plant, machinery & HGV auction will be held on the 11th December and lots are already starting to arrive.

To discuss values, haulage & entries please contact James or Dave on 07976 896943 or 07969 410777.
