Plant, Machinery & HGV Auctions

March Sale Summary

Brightwells' third auction of the year saw a strong trade in all sections and a good clearance rate. We had a strong entry of tractors & genuine end of use excavators, these sections fared well, and we saw a lot of bidding on the day. The export market is still buoyant, and we sold machines to countries all over the world once again.

Call us now to take advantage of this amazing trade and get the best market price for your used plant, machinery & trucks. Our next plant & machinery auction will be held on the 9th April & entries are already coming in fast! To discuss values, haulage & entries please contact James or Dave on 07976 896943 or 07969 410777.
